Post uses small AP story on current TIME's disclosure of FBI tapping for Nixon with neither asking the obvious question, what does this leave of the Hunt/Liddy cover, that they were doing this leaks checking for "GL? I an say the word is out that Colson will be made the WG goat now that he is out. Only if he is willing to take it, and it can not be a perjury rap. Or, disbarrment. Greater love hath... I'll copy and send TIME piece when it comes. HW 2/26/73
